Professional Summary

Software Engineer with **2+ years of experience** building responsive, scalable, and visually engaging web applications using **React.js, Next.js, and modern CSS frameworks**. Skilled in **UI/UX design, API integration, and frontend architecture**, with a strong focus on performance optimization and accessibility.

Skills

Frontend: React.js, Next.js, JavaScript (ES6+), HTML

State Management: Redux, React Context API

Backend: Node.js, Express.js, MongoDB

Styling: CSS, Tailwind CSS, Sass, Styled Components, Bootstrap

UI/UX: Figma, Responsive Design, Accessibility

Tools: Git, GitHub, GitLab, Postman, VS Code

Soft Skills: Problem Solving, Team Collaboration, Communication

Experience

Trainee Software Engineer, Frontend, CDQP Design Webtech Pvt Ltd - Remote

Sept 2023 – Present

- Led frontend development initiatives to enhance scalability and user experience across multiple client applications by designing and implementing production-ready solutions using **React.js, Next.js, Redux, and Tailwind CSS**; delivered three full-scale applications with consistent UI, **30% faster load times**, and improved responsiveness.
- Built and launched a **secure e-commerce platform frontend** integrated with **REST APIs** and multiple **payment gateways** (Razorpay, Getepay, CCAvenue), ensuring seamless real-time data synchronization.
- Developed a **digital business card management application** with real-time API synchronization, significantly reducing latency and enhancing performance.
- Designed and implemented a **clinic management portal** enabling doctors and staff to manage appointments, patient records, and billing efficiently through an intuitive and responsive interface.
- Collaborated closely with **backend and DevOps teams** to optimize API architecture, streamline **CI/CD pipelines**, and achieve **zero-downtime deployments**.

Software Developer Intern, CDQP Design Webtech Pvt Ltd - Remote

Apr 2023 – Jun 2023

- Assisted in backend development using Laravel 7, implementing database migrations, routing, and middleware logic.
- Designed responsive web interfaces with Bootstrap and CSS, ensuring cross-browser consistency and accessibility compliance.
